FAITH

Adopt-A-Church

Some Catholic churches in our community are old and need repair to remain open for Services, and some needs a place to worship. Through the Adopt-A-Church program, Banyuhay Group USA helps raise funds to keep a church alive. Even just a portion of their need, it will make a big difference.

FAMILY

Adopt-A-Choir

Through its Music Ministry, Banyuhay Group USA provides assistance to local Catholic Church choirs. Assistance includes but not limited to:

- Members providing additional voices to existing choirs during Sunday Mass.
- Organizing fundraiser drives for the needs of the Music Ministry such as musical instruments and music books.
- Collecting and recycling old music books and shipping to churches abroad that don't have the means to purchase their own music books.

EDUCATION

Adopt-A-School

Through the Adopt-a-School program, Banyuhay Group USA partners with business and community organizations to make an impact on students' lives and learning by sponsoring donations to support student needs. The program is not limited to local schools but globally, through donations of books, media and play structures.
